

## EMERGENCY WAIVER FOR SCHOOLS

**Green List** products may be used at the discretion of the licensee.

Use of **Yellow List** products requires written approval from the certified applicator. A copy of the approval must be sent to the IPM Coordinator.

Use of **Red List** products requires written approval from the certified applicator and IPM Coordinator. A copy of the approval must be kept in a separate file in the pest control use records for the school and clearly marked as Red List Approvals.

Emergency treatments will be permitted in the localized area of infestation when there is an imminent threat to health or property or an infestation is imminent. Records of the reasons for emergency treatments shall be kept in the pest control use records of the business or certified noncommercial applicator performing the treatment.
